Dear friends and neighbors,

Welcome to the 2015 Government Guide for the 13th Legislative District. I hope that you find this resource helpful to connect with your federal, state and local governments.

The information included in this guide will be helpful to determine the appropriate person or office to contact with your questions or concerns.

It is so important that your government is accessible and although this guide may not be exhaustive, it contains the most frequently used information for various government jurisdictions and agencies in our state and community.

It is an honor to serve as your state Senator from the 13th Legislative District. I am working hard to represent your views here in Olympia. I am focused on finding collaborative solutions to the problems we face. I am working to keep taxes low, grow our economy by improving our state's business climate, investing in our children's education, and attracting more family-wage jobs.

The 2015 legislative session has been challenging. With significant resources coming to the state to fund the priorities of government we must prioritize spending. The budget put forward by the Senate puts education first, protects our state's most vulnerable and brings needed tax relief to working families.

Please contact me with any questions or concerns you have about the State Legislature or if I can be of service helping you with a state agency.

Sincerely,

A handwritten signature in black ink that reads "Judy Warnick". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.

Sen. Judy Warnick
13th District
